### A MESSAGE FROM OUR WINE CLUB MANAGER

Each release, I like to highlight one of our newest vintages and share a little more in depth so you can fully appreciate Concannon's offerings. For this release, I would like to showcase Concannon's Malbec, a wine that truly does not get the attention it deserves. The Malbec grapes for this Reserve come from our Estate Block 10. This block is 9.8 acres and is located behind the winery about 200 yards west of our new Block 7 Cabernet Sauvignon along the parking lot. Merlot and Cabernet from our Estate are also blended into this vintage to give the Malbec a little extra character.

The 2018 Reserve Malbec, with a rich bouquet of dark berries and sweet spices is complimented by flavors of juicy blackberry and plum, the finish is balanced with smooth vanilla notes and silky tannins. This is a great wine to serve with sweet and spicy BBQ or firm cheeses like Asiago and Manchego. As we look towards winter and thanksgiving, try one of these often-missed pairings for Malbec: turkey with cranberries, honey basted ham with cloves, or roasted winter root vegetables with a ginger-teriyaki glaze.

We hope you enjoy this delightful, food friendly Malbec, along with our other fantastic new wines. Cheers to all!
