A MESSAGE FROM OUR WINE CLUB TEAM

Every release we like to showcase one of our newest vintages and share a little more so you can fully appreciate Concannon's offerings. From this release, we're highlighting our beloved Nina's Cuvée Petite Sirah. The grapes for this wine come from our Estate Block 12, planted over 40 years ago. This 16.5 acre block is located on the north side of South Livermore Avenue where it intersects with Concannon Boulevard.

The 2018 Nina's Cuvée is a perfect reflection of its namesake, delicate and elegant. The wine delights with abundant juicy fruit; jammy blackberry and blueberry flavors with hints of graham cracker and vanilla. Well integrated tannins are soft and velvety on the palate with a smooth, sultry finish. This Petite Sirah would pair wonderfully with strong cheeses and charcuterie, grilled tri-tip with roasted garlic or on the veggie side try pairing with spicy bean chili or rich lentil soup.

As much as we enjoy this wine, all our 2018 releases are phenomenal! 2018 was a remarkable vintage for most of California. The key was the warm but mild summer weather allowing fruit to mature slowly without heat spikes. This in turn gave us an opportunity for a longer hangtime producing fantastic fruit flavor and wonderfully balanced wines.

We hope you enjoy this delicious Petite Sirah, along with all our other amazing new releases. Cheers to all!
