This exquisite Cabernet showcases the deep, rich, balanced flavors for which our Concannon Clone 7 is acclaimed. On the nose, pick up aromas of cherry with subtle hints of cigar box and cedar. Flavors of blackberry and plum can be found on the palate intermingled with leather nuances. This wine is rich with big, chewy tannins and a caramel mocha finish. Enjoy now with decanting or ageable over the next 15-20 years.

PAIRING SUGGESTIONS:

Grilled New York steak with caramelized onions or try grilled Portabella and porcini mushrooms over pasta with lots of garlic and parmesan cheese
