FEBRUARY 2022 RELEASE

In 1893, James Concannon began his second journey to France on the R.M.S. Campania. His destination was the renowned Château Margaux and Château d'Yquem in Bordeaux to gather Cabernet Sauvignon cuttings for Concannon Vineyard. From this endeavor and those succeeding, James became well-known for his meticulous selection of only the highest quality vines.

We hope you savor and enjoy your February release.

WINEMAKER NOTES:

2018 was an amazing vintage for our Heritage Cabernet, cumulating to produce a phenomenal wine with complex layers of fruit and a generous mouthfeel. From the start, enticing aromas of bright red cherry and raspberry leap from the glass. Followed on the palate with ripe plum flavors complemented by notes of black pepper, allspice, and nutmeg. The finish comes together beautifully with a perfect balance of tannins that are rich yet elegant.

PAIRING SUGGESTIONS:

Grilled tri-tip alongside elote corn, or quinoa topped with wild mushroom medley and roasted shallots.
