NOVEMBER 2021 RELEASE

In 1958, Concannon Vineyard was designated as a historical landmark. U.S. Supreme Court Chief Justice, Earl Warren, joined Captain Joe and Jim for the commemoration. As the estate has been revitalized over the years, Concannon Vineyard has remained dedicated to preserving the integrity of its roots, some of which include refurbishing the original Spanish mission bell as well as incorporating bricks and century-old, pecky cedar wood from the original winery. The outside rock walls were also built from rocks found in the very rocky soil of the estate. Antique, “Livermore” oven bricks and horseshoe impressions can also be found throughout the estate.

We hope you savor and enjoy these special selections.
