Drink Now or  
Cellar up to 10 Years

### TASTING NOTE

A classic representation of Petite Sirah, this wine starts with deep-colored inky hues followed by dense notes of black cherry, black currant, and plum with a hint of dark cocoa and allspice.

### HERITAGE VINEYARD

Originally planted to Petite Sirah in 1884, this head-trained, three-acre vineyard consistently produces outstanding robust fruit layered with complexity and beautifully balanced acidity, making these wines well poised for aging.
