Drink Now or
Cellar up to 10 Years

TASTING NOTE

A classic representation of Petite Sirah, this wine starts with a beautiful, deep colored inky hue. With a swirl, dense notes of boysenberry, black cherry, and blueberry jump from the glass, followed by dark cocoa and black pepper.

HERITAGE VINEYARD

Originally planted to Petite Sirah in 1884, this head-trained, three-acre vineyard consistently produces outstanding robust fruit layered with complexity and beautifully balanced acidity, making these wines well poised for aging.
